04/12/2024

OGGETTO: **Regolamento CE 1907/2006 (REACH) e s.m.i.**

Update: in September 2024, the European Commission adopted new measures to restrict the use of certain PFAS substances, specifically in undecafluorohexanoic acid (PFHxA), its salts, and related substances by amending Annex XVII of REACH. This restriction will prohibit the sale and use of PFHxA in certain products that are not included in Di TrafiTech sales items. In November 2024, a new substance (triphenylphosphate-CAS-115-86-6), also not included in articles of manufacture, was added. Therefore, TrafiTech's position has not changed from what is stated below.

TrafiTech S.r.l. process and distribute products made of steel: in this respect, according to the EC Regulation No. 1907/2006 (REACH Regulation) they qualify as final users, in particular as "users of substances" and "producers of finished goods."
The Company guarantee that all products distributed comply with the current regulations on environmental safety and on the safeguard of the health of the operators involved.

With reference to EC Regulation 1907/2006 (REACH Regulation), concerning the Registration, Evaluation, Authorization and Restriction of Chemicals, the Company declare that:

- our products, as articles, cannot be considered substances or compounds and are therefore exempt from the provisions of the REACH Regulation concerning the registration of substances, nor can they be qualified as "articles that intentionally release substances."
- Pursuant to Article 33 of the REACH Regulation, as your supplier we are required to report the presence of substances considered to be of "very high concern" (SVHC - Substances of Very High Concern) included in the Candidate List that is periodically updated by ECHA, whenever their concentration in our articles exceeds 0.1% w/w.

The TrafiTech S.r.l. is committed to monitoring the periodic review of the Candidate list (SVHC) and to give prompt notice by updating this statement.

Should our position change in the future, we will make sure to keep you informed.

Dir. Vittorio Boneschi
